Ever wondered how professional freestyle soccer performers make money? Now you can uncover their secrets and also discover other secret methods of making money from this industry...

## Steps

**1** Firstly, practice your freestyle soccer tricks until you become extremely good. To do this you will have to practice 20-40 hours per week if you're just starting off. There are plenty of videos on Youtube and soccer DVD's you can buy off Amazon to help you on your quest.

**2** Once you become excellent at freestyle soccer, all the money making opportunities will start opening up. The first way you can make money with freestyle soccer is by performing tricks on the street in front of audiences. Make sure to keep a bucket on the ground for tips. Amazingly, some freestyle soccer performers have earned £300 in one day with this method.

**3** Sell 'how to freestyle soccer' e-books on the internet. One guy called Scott Dudley is doing just that. His e-book has had some rave reviews.

- 4 Sell your freestyle soccer videos as PLR content.** What is PLR? PLR stands for Private Label Rights. In return for your video content people can pay you money to use the content to promote their website, products or services.

- 5 Sponsor a company or corporation.** The likes of John Farnworth have made money through sponsors such as Nike. Soufiane Touzani has made money on stage by performing tricks to promote Samsung products.

**6 Make your own freestyle soccer DVD.** This DVD can contain tutorials on how to do amazing freestyle soccer tricks. The more audacious your moves are, the more likely you'll be able to sell in large quantities.

**7 Make money selling written freestyle soccer content.** Believe it or not, now you can even make money by writing out freestyle soccer content. There's a website called Freestyle Soccer Profits that has begun paying out for this sort of material.

**8 Sell freestyle soccer clothing on your website like Monta Soccer.** Monta Soccer sell all sorts of freestyle soccer goods. One example is their famous red and white football with a dragon on it. They also have some really attractive jumpers on their site.

**9 Make a freestyle soccer website containing how to tips, freestyle soccer news and videos, then place ads on your site using Google AdSense.** Every time someone clicks on your ads, you will earn commissions. Alternatively, you can sell your own ads.

**10** **Make money filming for freestyle footballers.** So many freestylers need someone professional to film and edit their videos, so that they can brand themselves to attract more business.
