## Things You'll Need

- ☐ A piece of notebook paper
- ☐ A pen
- ☐ Friends
- ☐ Time to waste
- ☐ An imagination

## Steps

- 1** Get a piece of notebook paper and a pen.

**2 Label four categories on the paper.** The categories are: Boys, Girls, Action, and Body Part. These are the base categories.

- You can always add more categories, such as Place or What They Were Wearing.

**3 Arrange the categories, as shown above.**

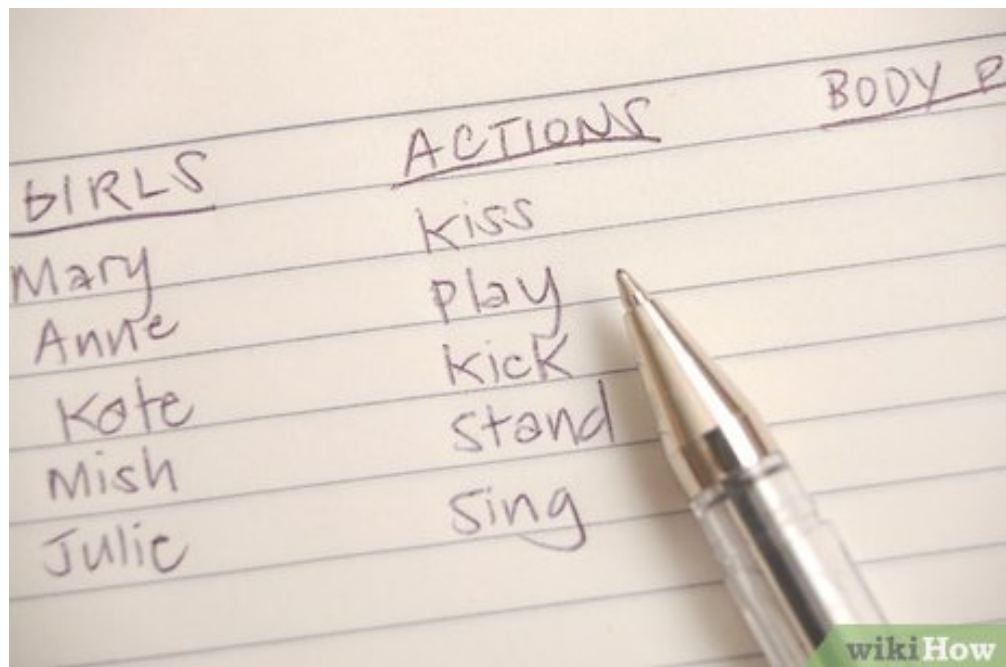

#### 4 Make a list, based on the category. Under each category, list what the name states.

- For boys, name five boys that you know. It doesn't have to be five, it can be 100 if you really want.

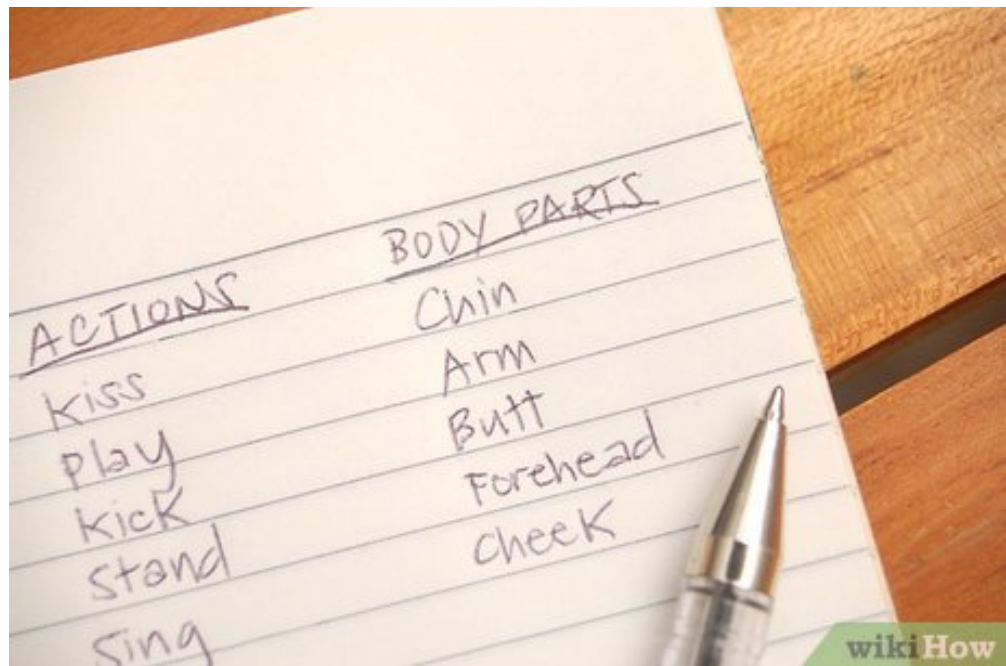

- For girls, name five girls you know.

**5** List any action. In the action section, be creative and think of funny actions.

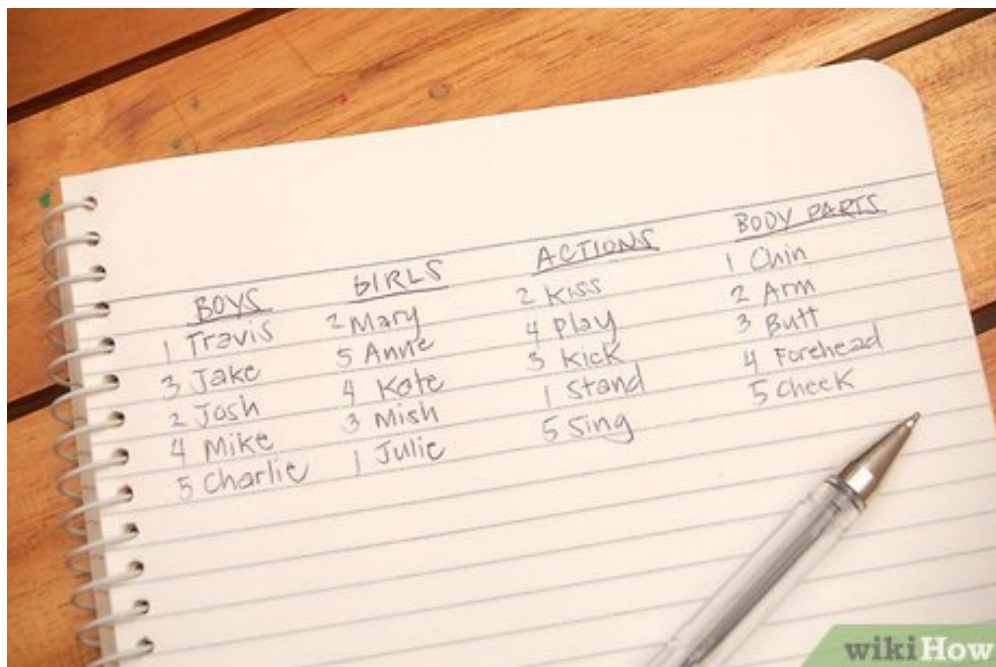

**6** List body parts in the proper section. This also can be really funny.

<u>BOYS</u>	<u>GIRLS</u>	<u>ACTIONS</u>	<u>BODY PARTS</u>
Travis	Mary	Kiss	Chin
Jake	Anne	Play	Arm
Josh	Kate	Kick	Butt
Mike	Mish	Stand	Forehead
Charlie	Julie	Sing	Cheek

**7** Align the categories as in the picture above.

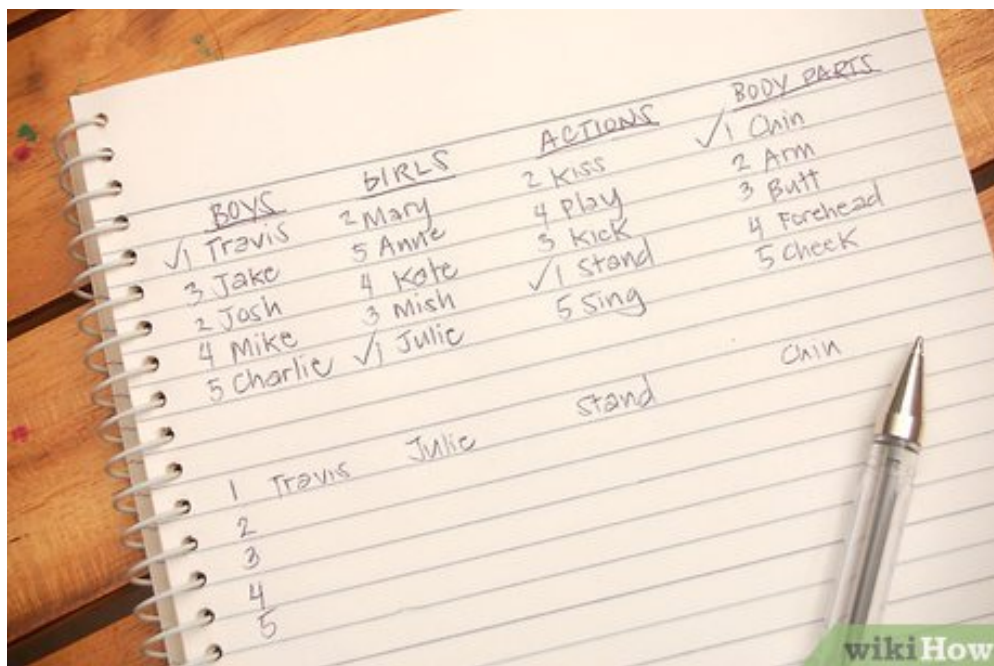

**8** Number each item in the subcategory. These are to be numbered from one to five in any order, like so:

- If you have 100 subcategories, number from one to 100.

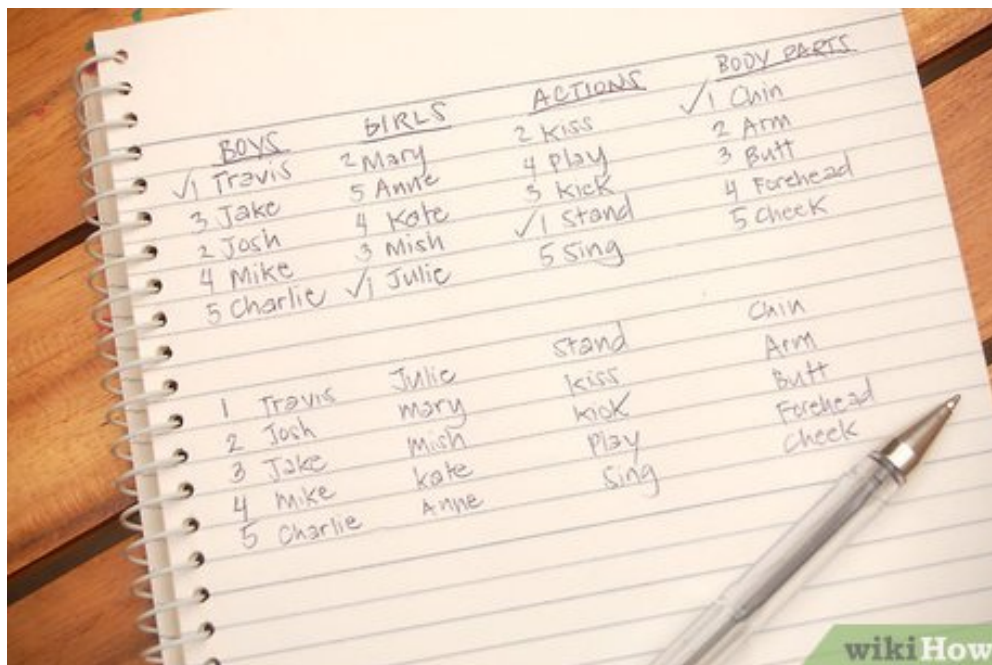

**9** Number the bottom of the paper from one to five. Do this as if you are doing homework problems.

**10** Match the name and action. Write the corresponding name and action with the number they have.
