

Introduction: Please refer to the paragraph below to solve the questions given in the worksheet.

Rabindranath Tagore was born in Calcutta in 1861. He is the poet who wrote India's national anthem, and he won a Nobel Prize in Literature in 1913. Tagore started to write poetry when he was only eight years old and he published his first poems when he was only sixteen. For this first names, Tagore did not use his real name. He used a "pen name". His pen name, in English, meant "Sun Lion".
